

Université du Québec à Trois-Rivières
École internationale de français

Immersion Program

The teachers will have the chance to improve their linguistic abilities. The emphasis is mainly on oral communication, without however neglecting writing. The training also offers an introduction to the social and cultural life of Quebec

Training information

The morning is devoted to theoretical training in French. The cultural and recreational workshops are offered in the afternoon.

Courses

20 hours of activities of training per week:

- 3 hours/day in classroom
- 1 hour/day of conversation
- Socio-cultural activities are planned for the evening

Date:

3 weeks: July 9 to 27, 2012

Cost:

\$1 500
